

Study-tour to Denmark about ecology

Ecology is growing all over the World – but in particular in Europe.

Denmark has the highest consumption in the World of organic food

In 2013 8 % of the sale of food was organic.

And Denmark is amongst the leading countries when it comes to organic production.

1.15 pm. To Billund Airport

We have tried to make a program that gives you many good stories. As you can see there is not a lot of spare time. Still we hope you will have time to get to know each other and to make good contacts.

A more detailed program with timetable and addresses follows.

About flights to and from Billund Airport:

There are flight-connections to and from Billund Airport and many European cities.

Preferably you should arrive in Billund in the morning of April 27. and leave again in the afternoon of April 30.

If there are no connections from your city to Billund try to go to Copenhagen instead. From Copenhagen there is a flight to Billund, April 27, at 1.20 pm. and a return flight, April 30 at 3.15 pm.

If you want to stay overnight more days before or after the tour we are happy to help you. Send an e-mail to gudrun.andreasen@gmail.com.
